INTRODUCTION

On July 2, 1990 the Commission issued a Final Order in this Docket granting Burlington Northern Railroad Company's petition to discontinue its agency and dispose of the depot facility at Lewistown, Montana. It has come to the Commission's attention that the "Order" section of that Final Order is deficient in that it does not include the language referring to employee protection underlined below. Therefore, the "Order" section of Order No. 5996 is changed to read in its entirety as follows:

ORDER

NOW THEREFORE IT IS ORDERED that BN's petition to discontinue its agency and dispose of the depot facility at Lewistown, Montana is Granted.

IT IS FURTHER ORDERED that BN's objections to the admission of evidence and testimony are Denied and all proposed exhibits are made part of the record and have been given the weight they deserve in Commission deliberations.

IT IS FURTHER ORDERED that if the proper 800 number for accessing BN customer service is not currently in the Lewistown phone directory, BN must list that number at the next opportunity.

IT IS FURTHER ORDERED that BN shall apply 69-14-1001, MCA, as required.

IT IS FURTHER ORDERED that this Order be effective immediately and that a full, true and correct copy of this Order be mailed forthwith to the Applicant and all parties of record.
